*... engage in study-related / subject-specific exchange of views / discussion.*

*... prepare for an academic stay abroad.*

*I would be open to working with **two international students**, if necessary.*

*I will also participate in the **Orientation Days of the International Office** as a Campus Guide for new international students (week before lectures start).*

## Comments

I would like to participate in activities of the **Study Buddy-programme (AKAFÖ)** (regulars' table, excursions, group activities).

I intend to have the programme **recognised** for my degree programme.

*(as of now possible for BSc/MSc Biology and MSc Chemistry - please check the respective module description, if applicable)*

*By submitting this form (also digitally), I agree that the information indicated here may be stored and used for the purpose of planning, conducting and evaluating the buddy-programme. I also agree that my contact details may be transferred to an alumni database at the end of the programme. This agreement can be revoked at any time - also in part - by written notification.*
